## Annual Grid Banquet Scheduled For Dec. 12

The annual football banquet for grid players of Pahokee, Belle Glade and Clewiston will be held at the Belle Glade high school cafeteria at 7 p. m. on Friday, Dec. 12, according to information from the Belle Glade Lions club.

The Lions clubs of Canal Point, Pahokee, Belle Glade, South Bay, Clewiston and Moore Haven will be hosts at the gala affair and an evening of outstanding entertainment is promised for Lions of the area and the gridsters.

Members of the varsity football teams, the coaches and their assistants, the senior cheer leaders, principals and county superintendents of public instruction will be guests for the evening. A member of the coaching staff of the University of Florida will be present as the featured speaker of the evening.

## Warning Issued By Police Chief

Pahokee Police Chief issued the following warning yesterday: "Police who rush to fires behind fire trucks are hereby warned that arrests will be made in the future. Volunteer firemen have been kept away from fires by groups of curious who have rushed to the scene of fires. It will be necessary that the practice of chasing fire trucks be discontinued, otherwise arrests will necessarily have to follow."

At a fire at the Savoy Club Tuesday night a traffic jam was created by curious folks who rushed to the scene. One or two volunteer firemen were delayed in reaching the fire by the curious crowd.

## Canal Point WSCS Has December Meet

Mrs. J. P. Parker presented a Christmas program, "Good Tidings of Great Joy," at the December meeting of the Canal Point Methodist Woman's Society of Christian Service held in the Sunday School building with Mrs. R. Earl Maxson, president, presiding.

Mrs. Boyd Vorhees reported the Canal Point WSCS will receive jurisdictional credit for the approved manner in which it conducted and completed its recent study of the text, "Better Understanding of the Bible."

Mrs. F. W. Cross, Sr., acted as hostess during the serving of refreshments at the conclusion of the meeting.

## Annie Merle Carter Buys Pahokee Hotel

Mrs. Annie Merle Carter purchased the Pahokee Hotel building from Mertice Suman of Moultrie, Ga., last week, completing the transaction on Nov. 26, and has moved her Pahokee Flower Shop in the space on the first floor of the building next to the Western Auto Supply store. Up to the present time Mrs. Carter has been operating her flower shop at her home on Canal Point Road.

## Pahokee Fair Will Be Held In March

The annual Pahokee Fair sponsored by American Legion Post 90 will be held this year during the first week in March, according to plans announced at a meeting of the post, in the Legion Hall on Canal Point Road Monday night with Commander Howard Holman presiding.

A contract was signed for the Royal Exposition Shows to furnish the entertainment on the midway and three exhibit tents will be set up for the display of Glades grown vegetables and products.

Melvin Spooner, chairman, reported net proceeds of \$301 from the Thanksgiving turkey shoot sponsored by the American Legion and plans were made for an afternoon and night session from 3 to 8 p. m. during the Legion's Christmas turkey shoot.

## Johnson Grocery Ruined By Blaze

Fire which started from an oil stove in a restaurant at the rear of W. M. (Frenchy) Johnson's grocery at Streamline near Pahokee Tuesday afternoon resulted in \$25,000 damages to property and grocery stock, Mr. Johnson said.

The fire started in the cafe-rooming house, which burned to the ground. The larger rooming house, which comprises 20 units, was charred on the outside and much of the interior. The grocery and bar were badly damaged. Virtually all the roomers were out when the fire started. The few who were there got out in time.

All the liquor stocks in the bar were saved, but most of the groceries were destroyed before the Pahokee Fire Dept. got the fire under control. A shortage of water hampered firemen's efforts. Streamline is outside Pahokee city limits.

Two men were injured fighting the fire.

Those hurt were George Johnson, member of the Pahokee Fire Dept., who was taken to Everglades Memorial Hospital there with a head injury, and Sammy Banks, Negro, taken to the same hospital with severe head cuts.

## Mobilization Day Association Plan

The annual "M for Mobilization" rally sponsored by the Palm-Lake Association, Baptist Training Union, will be held at the First Baptist Church in Clewiston Wednesday at 7:45 p. m., according to the Rev. Hal Hunter of Pahokee. Dr. John Maguire, executive secretary of the Florida Baptist Convention will be guest speaker and Bob Johnson of West Palm Beach, director, will preside.

The nation's industrial production is the highest since the war and still going up, according to Elliott V. Bell, editor of Business Week magazine.

## Special Program For PTA Meeting

The December meeting of the Pahokee Parent-Teacher Association will feature a special Christmas musical program, "Nativity Pantomime," with a chorus of 180 student voices directed by Miss Dorothy Shill in the background, according to Mrs. George Arce-neux, program chairman.

The meeting to start at 8 p. m., Monday, Dec. 8, will be preceded by an executive board session with Mrs. Doris Sasser, PTA president, presiding at 7:30. Refreshments will be served in the school cafeteria at the conclusion of this meeting.

## Glades Ranchers Supply Is Now Open

A new place of business, that will in all probability prove popular among ranchers in the Glades, swung open its doors this week when Glades Ranchers Supply opened for business in the Rardin Building in Canal Point.

The new concern owned and operated by James Gibson and Arnold Barad of Canal Point will handle a full and complete line of serums, vaccines, antibiotics, instruments, insecticides, animal medicines and other items necessary in the successful operation of a ranch.

Operators of the concern were optimistic over the outlook for business in the Upper Glades. They said that an effort would be made to meet all the needs of the Glades Ranchers.

## Annual Methodist Program On Dec. 22

The Church School Council of the Pahokee First Methodist Church, at a meeting this week, with Chairman Jack Spencer presiding, set Monday evening, Dec. 22, as the date for the annual Christmas program of the church school.

In a movement to place more emphasis on the birth of Christ and less on Santa Claus in this year's Christmas observance, the Council voted to dispense with the usual large Christmas tree complete with Santa Claus and treats and present a program depicting the true spirit of Christmas, the program to be held in the church auditorium under the direction of Mrs. B. Elliott who will be assisted by Mrs. Manning I. Keen.

Teachers of the various classrooms were given the responsibility of providing Christmas entertainment for their pupils and the Council voted to assist with the financing the Christmas parties for the various classes.

## TB Seal Sale

Palm Beach County Tuberculosis & Health Association announces the total at the end of the second week of the annual Christmas Seal Sale is \$9,874.75. Contributions from various towns in the Glades are as follows: Pahokee, \$115.00; Belle Glade, \$24.00; Chosen, \$8.00; Lake Harbor, \$16,000; Canal Point, \$78.00; Pelican Lake, \$5.00; South Bay, \$78.00.

### Christmas Tree For Pahokee Community

The Pahokee Chamber of Commerce, at a meeting in the chamber offices Monday night with President Ralph O. Johnson presiding, completed plans for decorating the large community Christmas tree to be erected on the vacant lot across the street from the Bank of Pahokee.

The executive board also made plans for broadcasting Christmas music over a public address system in the downtown area, starting Dec. 15 with Mrs. Bertha Orr, office secretary, in charge. It was announced the chamber will sponsor a visit of Santa Claus to Pahokee stores on Saturday, Dec. 20.

The board voted to obtain a notary public commission for Mrs. Orr, with her services as notary public to be free to all C of C members.

## Dick Simpson Head State Road Board

Richard H. Simpson of Monticello in Jefferson county, a longtime friend of Governor-Elect Dan McCarty, has been chosen to head the State Road Department. Chairmanship of SRD is a full-time job and pays \$8,000 per year. Members of the department serve part-time and receive \$200 monthly.

Other members of the State Road Board named by Mr. McCarty are:

Earl P. Powers, Gainesville area, accountant who was McCarty's State campaign manager.

J. Saxton Lloyd, Daytona Beach automobile dealer and former chairman of the State Advertising Commission.

Thomas B. Manuel, Broward County farmer-rancher and former mayor of Ft. Lauderdale.

W. Howard Frankland, Tampa manufacturer and auto supply dealer.

They will take office when McCarty is inaugurated Governor Jan. 6 and serve four-year terms coinciding with his. All indications are they will inherit from the outgoing Warren road board a record batch of uncompleted projects plus several million dollars worth of unpaid bills for work performed in recent months.

McCarty designated Simpson, one of his closest friends and advisors for years, as his choice for chairman of the board. Although the board elects its own chairman, it has been customary for members to name the man selected by the Governor.

### HOLIDAY GUESTS

Mr. and Mrs. Horace Unwin had as Thanksgiving holiday guests her brother-in-law and sister, Mr. and Mrs. L. Connell and son, Dennis, of Tallahassee; also her father, W. H. Cochran, and brother, Frank Cochran, both of Belle Glade.

Mr. and Mrs. Charles G. Willis have as their guest her mother, Mrs. Gertrude Burney, of Adel, Ga.

Have you had your FREE chest X-Ray? If not, your opportunity is coming to get one. Why not take advantage of it? Through the efforts of the Palm Beach County Health Department, according to County Commissioner Paul Rardin, the mobile unit of the State Health Department will be available to residents of the Upper Glades beginning tomorrow, Dec. 6.

Commissioner Rardin pointed out that each year the county commission sets up in the annual budget an amount sufficient to take care of operation of the Palm Beach County Health Department. Since inception of the department a few short years ago the county has budgeted \$56,000 annually for department work, this amount being matched by the State Health Department.

## World Famed Passion Play Will Be Presented By Lake Wales Group

LAKE WALES—Citizens of this placid city in the shadow of world-famous Singing Tower this week were readying for Santa Claus delivery to citizens of Florida a \$140,000 gift guaranteed to last ten years and to keep itself in repair for at least that long.

The gift is Passion Play Amphitheater here, described by Dr. D. B. Dusenbury of Florida University as "a perfect theatre workshop, a modern theatre within a permanent amphitheater."

In making brief announcement of plans for year around operation of the Amphitheater, Walter W. Woolfolk, newly named Amphitheater Pioneers Club Director of Activities for 1953, stated:

"Formulate for ten years of year-around operation of Passion Play Amphitheater on a self-sustaining basis are blue-printed now, with names attached and ready for announcement by February 15, 1953. All we ask of Florida citizens is that they inspect their Amphitheater, heed public announcements, and act as their hearts and heads dictate.

"Activating force for the year-around program is Amphitheater Pioneers Club, whose 1953 activities I am honored to direct. The Club is a non-profit, public-subscription organization set up within non-profit Passion Play Amphitheater of Florida, Inc., to handle Amphitheater production business.

"In the case of the Club's first presentation, Black Hills Passion Play which for ten years will be the pattern for all Amphitheater presentations, there is no production problem. However, there is a most important task for Pioneers Club in connection with the opening in January of the Amphitheater and the Play.

"When the Amphitheater is completed December 20th, all funds raised by loan and donation to Passion Play Amphitheater, Inc., will be exhausted.

"Founders of Pioneer Club propose to raise up to \$30,000 by selling 3,000 charter memberships in the Club to interested Florida citizens. Among other "privileges specified in a "charter proposal" available by mail, attendance at the January 9th "Gold Plate" preview of Black Hills Passion Play and at all other such premieres in the future is possible only through Club membership."

The next problem of Club members, Woolfolk explained, will be in advertising, by word of mouth and personal recommendation, two other professional presentations now planned for the Amphitheater immediately after Passion Play closing March 5th. Now on the list of coming events is a large-size music production and, to further Amphitheater engineering to perfection, a small straight-drama production.

"Pioneer Club will come to full fruition," Woolfolk continued, "and we believe, to fully glory late in the Spring of 1953 when the Club puts on its own production . . . a spectacle native to Florida, produced by self-sustaining units of Florida theater productions, and sold to Floridians straight across the board on a published-cost attendance-must-pay-the-bills basis."

"Tried and successful pattern in other communities for this sort of production," Woolfolk summed up, "will be followed to the letter/pre-assuring success within foreseeable possibility."

Frank M. O'Byrne, President of the non-profit Amphitheater Corporation, issued at the same time the following statement to present investors in Amphitheater building:

"Year around activities at the Amphitheater will be strictly on a

self-sustaining basis for each activity. Full fiscal accounting will be made of Passion Play operation immediately after the Play closes and public announcement made to a distribution of existing funds at least thirty days before such distribution is made."

### Cinematic Chatter

By Malcolm Millar

Hello everybody! Muriel Lawrence, a fast rising young star, gambled the life of a prominent Chicago socialite against a career in the stage and cinema spotlight, and won. The pretty blonde actress has at last arrived at the threshold of fame and fortune and is being starred in "I Dream of Jeannie (With The Light Brown Hair)," picture, and you will find her lovely voice, belies her small stature. Muriel has spent most of her young life in Chicago. She was born on a March 1 in Winnetka, Ill. Her parents are John H. Lawrence of Winnetka and Mrs. Samuel D. Rowe of Barrington, Ill. She attended Elgin Academy and Girls Latin School in Chicago with Anna Fitzu, and says she "could hardly wait through my days at school to get to Miss Fitzu's studio for my singing lessons." Her great driving ambition in life is to sing someday with New York's Metropolitan Opera Company, and those who should know say she undoubtedly will. She intends, of course, to continue with her motion picture career, but opera is an additional goal for which she is striving. When Muriel was 16 she sang "Esmeralda" with Metropolitan Opera star—Jarmilla Novotna, in "The Bartered Bride," quite an accomplishment for one so young. This occurred at Michigan City Opera Festival and led to her doing other important roles in productions throughout the Midwest. She has also appeared a number

of times over WGN, Chicago radio station, as guest soloist on "The Northerners," a musical program. The appearance inevitably brought her to the attention of Hollywood talent scouts, and she was given a screen test by a major company. The test was a decided success, but at the time she made it the studio had no plans for a picture in which her golden voice could be employed. At last, however, she has arrived, and it is predicted she is going to the top. See you at the movies—Mal.

### Mrs. Sheppard Tells Of TB Work

Mrs. Ruth Sheppard of West Palm Beach, an official of the Palm Beach County Tuberculosis and Health Association, was guest speaker at the Tuesday luncheon meeting of the Pahokee Lions Club. Introduced by James W. Vann, club president, the speaker gave a talk on the work of her association and asked for the co-operation of the club when the association's mobile unit for free chest X-rays visits the Pahokee area Dec. 4-6 and also in the annual sale of Christmas seals sponsored by the association.

The Lions voted to cooperate with other civic groups by sharing the cost of purchasing a walk-in Memorial hospital at a cost of approximately \$900. The club will sponsor a magician's show to help finance its share in this project.

It was announced the Pahokee Club will dispense with its regular luncheon meeting next Tuesday and will meet with other Lions Clubs of the Glades area at the Belle Glade School cafeteria Friday, Dec. 12, at 7 p. m. for the

Lions annual football barbecue, honoring the foot ball squads of Pahokee, Belle Glade and Clewiston High Schools. Following the barbecue, Bob Woodruff, head coach of the Florida Fighting Gators, will be guest speaker in the new Belle Glade High School gymnasium.

# NOW—Better Control of WIREWORM on SUGAR CANE and CORN

THE POWERFUL INSECTICIDE ALDRIN . . . recently in the news because of its amazing control of locusts and grasshoppers . . . is now approved by Federal and State authorities for control of wireworms and other soil pests of sugar cane and corn.

Insure now against poor stands and reduced yields from wireworm infestation . . . apply aldrin as a soil insecticide BEFORE planting.

Aldrin is easy to use—simply apply aldrin directly

on the ground, as a dust or spray, and harrow it in as the final step in the preparation of the seed bed. Or, have your supplier mix aldrin in with your fertilizer and apply both at the same time by conventional row treatment.

High killing power. In field tests aldrin proved a most potent killer . . . and at recommended doses you get wireworm control at low cost.

Act now—if you want your coming crops to grow free of wireworm damage. Put aldrin to work.

# CHURCH and CLUB NEWS

## Christian Science Group Of Canal Point

Subject of services in all Christian Science churches next Sunday is "GOD THE ONLY CAUSE AND CREATOR". The Lesson-Sermon contrasts the God-created, spiritual universe with the material sense of creation.

Two verses from the 86th Psalm (9:10), provide the Golden Text: "All nations whom thou hast made shall come and worship before thee, O Lord; and shall glorify thy name. For thou art great and doest wondrous things: thou art God alone."

Bible selections include the following from Psalms (111:7): "The works of his hands are verity and judgment; all his commandments are sure."

Correlative readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "A material world implies a mortal mind and man a creator. The scientific divine creation declares immortal Mind and the universe created by God" (p. 507).
